

CPD Resources & Training Packs at Your Fingertips

Save planning and prep time with our comprehensive range of high-quality ready-made material

Use these resources for CPD events and meetings or add them to your own professional development library. Our resources are:

- Created by experienced professional development trainers, subject specialists and school leaders
- Excellent value for money
- Easily adapted to your school's context
- Complete with facilitation notes and everything else needed to make your training events a success.

For further information about any of our CPD resources, please email info@veema.co.uk. A 15% discount will be applied to your booking when you spend over £600.

If you'd like to discuss a specific improvement programme or training requirement for your school or trust you can get in touch with us at cpd@veema.co.uk.

Just arrived

On The Spot Differentiation – Practical, Realistic Differentiation for All (90 minutes)

Curriculum and Assessment – Proven, Practical Ways to Boost Engagement and Progress for All Learners (90 minutes)

Never Stop Learning

Online training webinars & resources starting at £58

How to make the most out of pre-recorded Webinars

Create an online portal so teachers can access the webinars and resources when convenient for them.

Use footage from the webinars during your own in-house training days.

Encourage colleagues to use the webinars during departmental meetings. Allow time to discuss the ideas covered and agree on which to try out with pupils.

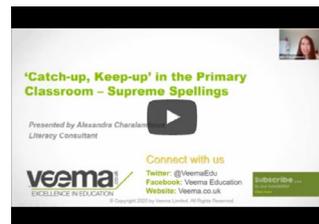

Set up a programme so teachers can observe each other trying out techniques and ideas from the webinars. Allow time for dialogue.

Effective use of Digital Technology to support SEND learners

Don't Call it Catch Up! Improving English Teaching — Boost Student Progress Post-Pandemic

'Catch-up, Keep-up' in the Primary Classroom - Supreme Spellings
