

# CPD Bulletin

December 2021

This bulletin includes:

- Information about our upcoming events
- Student Masterclasses and Parent Webinars
- Safeguarding Training Resources
- CPD Resources
- Autumn Term Resources

Hello everyone,

I hope you're in good spirits and enjoying the school term. Hopefully, you aren't experiencing too many staff and pupil absences because of COVID.

With just a few weeks to go, it's difficult not to get excited about Christmas. I'm certainly looking forward to putting up our tree next week and getting a few more hours of sleep during the break ... if the family lets me.

Because of the many new **short online** courses Veema's launched during the pandemic, I know we've been sending out more information than usual of late, hopefully helpful and not intrusive. Bulletins like this are an opportunity to share news, highlight upcoming events as well as some resources we've previously mentioned like our different **CPD packages** which can be tailor to your school's needs and budget, but which you might have missed.
