[Summer CPD bulletin catch-up](#)

Hello everyone

Welcome back to another school year!

I hope you managed to have a well-deserved rest and spoilt yourself a bit!

You don't need to be told what an intense and challenging last 18 months this has been, so I hope you are enjoying being back and that the first few weeks have gone as smoothly and calmly as they can.

As always, we have lots of spectacular and exciting things planned for 2021/22, such as continuing with our short online bite-size CPD courses and developing our coaching and DSL supervision sessions.

And over the summer, our website has had an update that will make it even easier for you to tap into the many resources you will find there and to buy CPD material directly from us.

As ever, if you have ideas for something new you would like us to offer or want to work with us through our training school partnership, please email [cpd@veema.co.uk](mailto:cpd@veema.co.uk).

## **Veema Leadership Paper**

Our new Veema paper, '[CPD challenges for Senior Leaders in International Schools — Practical ideas](#)' has been written by Dr Julia Batter, who recently joined our leadership team. It includes some great ideas, so please read, enjoy and reflect on the content, which is based on Julia's wealth of experience as a headteacher and senior leader.

By the way, there's still time to register for the middle and senior leadership courses we are hosting in January 2022. You can also take advantage of our superb short course training packages — less than [£120 for up to 5 participants from the same school](#) — and the coaching packages we are running for senior and middle leaders.

## **Safeguarding Updates and INSET Pack 2021/22**

We are always keen to provide schools with the latest safeguarding training, like the recent updates to 'Keeping Children Safe in Education', of which there's a summary below.

If you want to deliver your own Level 1 safeguarding training to staff as and when you want, you should definitely look at our [Safeguarding and Child Protection INSET Pack 2021/22](#), which includes ready-made training resources, PowerPoints, videos, handouts and facilitation notes. We think this is not only the best way to deliver safeguarding training, but also to fill the learning gaps that often exist in many e-learning courses. We've also just added new training modules including '[Online Safety](#)', '[Violence](#)' & '[Terrorism](#)'.

We are continually adding modules (including Safeguarding – In an online world) to the resource pack and will send more information about this soon. However, in the meantime, you can find lots of information about the resources and modules currently available on our [website](#) or alternatively just [email us](#) here for more information.

## **New 8-week courses**

Starting in November, we have two new CPD courses:

**[Successfully Leading a Primary School Curriculum — £320 per delegate.](#)**

**[The Early Career Practitioner Programme: Helping New Teachers Survive and Thrive in Our Schools — £365 per delegate.](#)**

For both, preferential rates apply to bookings with multiple participants from the same school or trust.

These are blended programmes that include self-directed learning and online events delivered by members of the Veema team. For more information email [cpd@veema.co.uk](mailto:cpd@veema.co.uk).

And that's it for now.

Thanks so much for all your efforts over what has been an exceptionally difficult period. But now with so much to look forward to, I hope you have a wonderful year. Remember to keep smiling and supporting one another and if there is anything we can do to help you, just get in touch either by email or through our social media platforms.

Best wishes

*C. Constantinou*
