

# Whole School Protection:

## Safeguarding Children in Education

Create your own safeguarding programme from the following 11 modules. Each module runs for approx. 75-minutes.

### Who is it for?

- School Leaders
- Teachers
- School Governors
- School Proprietors
- Teaching Assistants
- Admin Staff
- Ancillary Staff
- School Volunteers

### What will it do?

Ensure a deeper understanding of issues around safeguarding, child protection and significant harm, including the thresholds for intervention, so you are better prepared to respond should concerns arise over a child's safety or welfare.

### Module 1

#### Safeguarding In Education

- Child protection
- Online safety
- Thresholds and the continuum of need
- The process for managing concerns including behaviour and links to mental health and well-being
