## Course Description:

Ensuring that every pupil in your class makes progress can sometimes seem like an impossible task – especially when within your class there are learners with wildly differing starting points. This course provides a comprehensive guide to ensuring that every pupil in every lesson is supported and challenged to their full potential. Jam-packed with low-prep/ no-prep practical strategies that are ready to use immediately, and underpinned by the latest research, this training will help entire schools to feel confident about classroom practice in every lesson.

Find out how to ensure undeniable, visible progress for every learner without creating unnecessary teacher workload! Take away exciting and innovative techniques, that are realistic and useable the very next day in subjects across the curriculum and different Key Stages.

## Learning Objectives:

- Explore ways you can ensure every learner makes progress so that you can adapt your teaching in a responsive way
- Learn effective classroom strategies for 'on-the-spot' differentiation to ensure your teaching meets the learning needs of all pupils.
- Review practical strategies for using questioning effectively without over-using teacher talk
- Discover how to gather feedback from learners about their progress during lessons so that you can assess the impact of your teaching as you teach.
- Reflect on way you can get active participation from all learners with a "No Passengers" approach to classroom instruction.
