Course Description:

A short introductory course for Executive Leaders wanting to better understand the role of an executive leader and CEO.

Using the latest research and expertise in the field of education and leadership, this online course will provide the skills you need to consistently lead across your schools and to engage effectively with external stakeholders.

Learning Objectives:

- Builds the confidence and knowledge needed to navigate executive leadership across your schools.
- Provides examples and practical tools for the effective line management and staff development of your headteachers and senior leaders.
- Explores some of the latest approaches in school improvement for raising staff performance and pupil outcomes.

Audience:

CEOs, School Principals and leaders of single or multiple schools.

Resources:

Delegate Booklet to accompany the webinar
