Premium (Up to 10 members of Staff): £425.00

Course Description:

This online training will provide information on how recruitment processes should comply with the principles of safer recruitment practice and to understand best practice guidelines for schools, academies and colleges. The training will examine perpetrator behaviour and how the school can deter, identify and reject candidates who are unsuitable to work with children and prevent them from gaining employment. It examines the required pre-employment checks for school staff and practical tools to apply throughout the process.

Learning Objectives:

- Understanding the wider context and an understanding of offender behaviour
- The recruitment process and an awareness of the key features of staff recruitment that help to deter or prevent the appointment of suitable people
- Making the right decisions - clear assessment criteria and applying a structured and fair approach
- Developing a safer culture - how to create and maintain a culture that will help, deter, prevent and detect inappropriate or abusive behaviour

Audience:

Headteachers, principals, senior managers, governors, business managers and anyone part of a selection and interview process
