

Morale Boosters 2020

Get 2020 off to a head-start with our 'morale boosters that will blow the January blues away and keep staff smiling and on top form.

01

Commit to walking around school for 20 minutes at least three times a week to 'catch pupils and staff being good'. Feedback on the brilliant things you see and which make you proud.

03

Set up fortnightly 'subject-specific hubs' where staff can collectively plan a series of lessons as well as reflect on best practice pedagogy.

05

Every half-term, ask the school student council to pick a 'Guardian Angel', someone who has given that little bit extra to help colleagues or students. They could receive a gift, certificate and special shout-out at a staff briefing or meeting.

07

Arrange regular 'Feel Good Fridays' each week in the staffroom during break or lunch.

09

Provide a 'book of offers' from local organisations and businesses that school staff can use to get special deals on a range of products and services.

02

Arrange a best practice briefing once a week at which departments can showcase the work they are doing.

04

Arrange a one-hour meeting with all newly qualified teachers and set up a two-year mentorship for them. These mentees will eventually become mentors themselves.

06

Get the SLT and governors to cook breakfast for the staff on the last day of term.

08

Arrange a monthly photo slideshow to showcase all the great things that have taken place

10

Arrange for staff to take part in local competitions or trips, like chess competitions, marathons, tennis tournaments, rock climbing or visits to the theatre.
