

Asking... Not Telling!

Mastering the skill of deeper questioning

Touchpoints:

1. Develop the skills needed to enhance deeper learning.
2. Encourage student engagement and independent thinking by moving away from didactic teaching.
3. Coach others in creating 'thinking classrooms'.
4. Successfully audit existing schemes of work.
5. Implement the curriculum so as to encourage outstanding teaching and learning that surpasses Ofsted criteria.
6. Build pupils' resilience and positivity through strategies that encourage learners to push their boundaries.
7. Mastering the art of great questioning and feedback.

Who is it for?

- All classroom teachers
- Teaching assistants

What will it do?

Enable you to master the art of effective questioning and enquiry-based learning that challenges pupil thinking.
