

Leading Safeguarding:

Child Protection Training for Designated Safeguarding Leads

Touchpoints:

1. Understand the role and responsibilities of the designated safeguarding lead.
2. Identify appropriate levels of intervention when a concern arises, managing concerns and referrals
3. Gain greater awareness of intervention thresholds, ensuring appropriate action is taken when thresholds are crossed.
4. Identify the barriers to reporting concerns for both staff and children and consider ways to overcome them.
5. Identify best practice for information sharing, recording and confidentiality.
6. Knowledge and understanding of the key legislation, guidance and best practice around safeguarding children in education.
7. Knowledge of key safeguarding issues and updates
8. Learning lessons from child safeguarding practice reviews.

Who is it for?

- Designated Safeguarding Leads (DSL) and deputies
- School governors /trustees
- Senior leaders
- School staff who will be part of the DSL team

What will it do?

Support designated safeguarding leads to meet their responsibilities as per the latest statutory guidance, legislation and best practice.

Increase knowledge and skills in relation to appropriate responses to safeguarding concerns and thresholds of intervention, including

Increasing confidence in responding to different levels of need and sharing and recording information and

Giving you the knowledge and skills to create a safe and supportive safeguarding culture for staff and children.
