

Advancing Teachers' Programme - Helping Teachers to Thrive

Factsheet

This highly practical course is aimed at those with less than three years' teaching experience who want to establish 'great teaching' as a core habit. It consists of a series of self-directed modules and online events delivered over nine weeks under the guidance of a facilitator from Veema. The course is based on the most up-to-date information and research pedagogies and delivered by experienced, knowledgeable teachers, professional development trainers and educational authors. Participants will be expected to demonstrate their understanding of the key pedagogical practices and theories they have learned by participating in discussions with the rest of the cohort.
