

Online CPD Calendar 2025/26

We offer monthly, bite-sized online professional development events tailored for school leaders and teachers. Some of these events are free for all school staff only, while others are available specifically only as part of our Leadership Hub subscription, or upon payment upon joining. You can also obtain these events via a one-off payment. However, members get more!

As a member, you will have access to:

- All session recordings via your Leadership Hub
- A follow-up reflection handout
- 10 minutes of pre-recorded materials for each session
- Invitations to exclusive member-only events

Webinars now follow themed strands, with follow-up videos available exclusively to members.

- Short courses are included in our subscription packages (Visionary & Aspire only) at no additional cost.
- You can still join as a non-member, but please note that priority is given to members when booking these courses.
- Short courses come with CPD-certified certificates.
- Our live **Hot Seat discussions** are open to both members and non-members, although some sessions are exclusive to members. They provide an opportunity to ask questions, share challenges, and receive practical support.

Free webinar sessions last 30 minutes, while members enjoy extended 40-minute sessions. This document includes a list of our member events. Our website will provide more information about each online event over the academic year.

What can be expected from these sessions:

- Practical ideas and strategies you can use immediately
- Handy resources to support staff training and meetings
- A taste of what Veema provides and the range of personalised training and support we offer schools
- A chance to learn and connect with subject specialists, school leaders, and teachers worldwide
- A CPD certificate for attending an online short course of 2 hours or more (please note: certificates are not issued for webinars)

Please note that we will update our online sessions throughout the academic year; therefore, this document may be revised accordingly. For the most up-to-date information on all our CPD events, please visit our website and follow us on social media channels. This is a live document that is frequently updated.
