

# Lead Practitioner Programme for International Schools

## Facilitating Whole-School CPD

Based on  
"A School Leader's  
Guide to Leading  
Professional  
Development"  
by Costas  
Constantinou

### Empower Your Teachers to Lead Professional Learning with a Programme You Design

A 12-18-month programme designed for international schools that want to develop their own CPD leaders. This practical, research-informed course enables exceptional practitioners to design, deliver, and evaluate professional development that transforms teaching and learning.

### Programme outcomes

- Design, lead and support impactful CPD in your school(s).
- Build capacity through coaching and mentoring.
- Strengthen teaching and learning across departments.
- Collaborate internationally to share best practice.
- Present a final reflective report to senior leaders.

### Programme Highlights

Pre-training  
planning meeting

3-4 in-person  
training days

10 hours of online  
self-directed  
learning

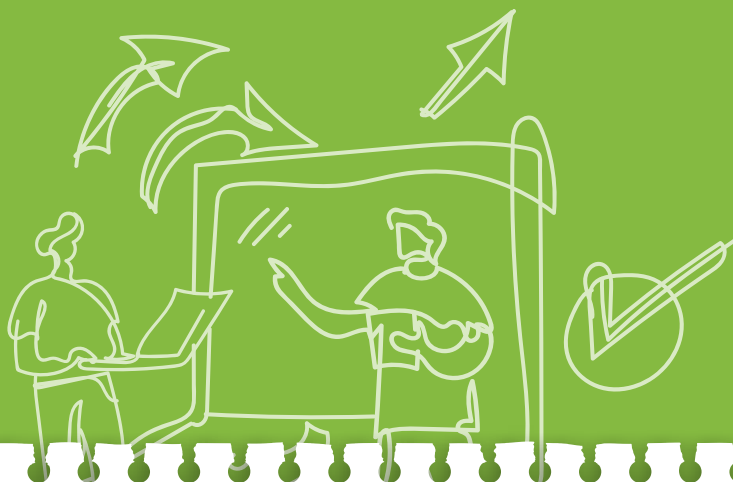

5 hours of remote  
support
